Subject: Microsoft Settlement

To Whom It May Concern,

This brief email is in concern to the current Microsoft Antitrust dealings and subsequent proposed settlement(s). As the current settlement stands now, I do not believe it is sufficient to correct the majority of Microsoft's more egregious business practices. Several others more articulate than I have contacted you with lists of problems that the plan contains, but I send only this small missive. I request that the proposed settlement undergo further consideration and a stronger, more inclusive plan be formulated and presented.

Thanl	k you	for	your	time.

Sincerely,
